

# Fix It Now Or Delete It

If you agree with the statement, flip the card to see what action you should take, otherwise go to the next card.

If you disagree with the suggested action, also go to the next card.

We can't live with this bug, it has to be fixed!

We should fix this bug, we're prepared to prioritize it.

This bug is so old we don't even understand what it means.

We don't feel like fixing this bug, we're just going to let it hang around for a few more sprints.

We should fix this bug, but we're not prepared to prioritize it.

Oh, come on! We need to fix this bug, but we just want to fix it later.

No, wait! We really do want to fix it.

But we don't want to fix it right now.

Ok, ok, we're ready to prioritize it!
